Ultra
Natural Look & Feel

More than 60% of our collection is using our new emboss technology - designed by our Artistic Team.

Scandinavian

A delicate surface, with a linear grain that accentuates the orientation of the material.

Authentic

Highlighting the wood's cathedral grain for a tactile realism.

Brushed

The sensory expression of rustic wood, with a structured and random surface.

Lounge Oak & Charming Oak

The registered surface perfectly follows the grain patterns for visual and tactile consistency.

Stone

A surface with a fine and uniform texture, evoking the subtle softness of polished stone or concrete.

Hammered

A surface with a slightly grainy feel, where subtle irregularities evoke the authenticity of stone.

Protecshield™ In addition to these ultra realistic embossing, Protecshield™ surface treatment offers a velvet touch, with a matt surface, ease of maintenance and micro scratch resistance.

1604 Curton Stone Taupe

Terra Nova

A decoration with warm and natural tones derived from elements such as ochre, terracotta, raw wood, and limestone.
Use of artisanal textiles, ceramics, and recycled metals to create a warm and exotic atmosphere.

Neo Classic

A style that blends classic and contemporary elements, incorporating noble and ancient materials like marble and marquetry, paired with modern and sleek architecture and objects.
The neo-classical style creates sophisticated and refined interiors for a luxurious and balanced ambiance.

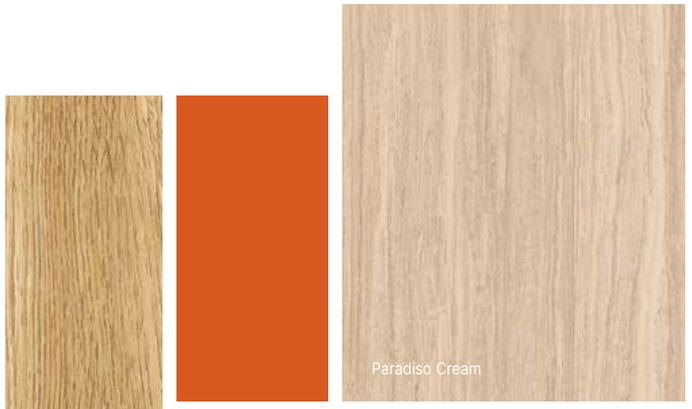
Modern Rustic

A mix of raw materials on one hand: natural stones, wooden beams, and contemporary materials on the other hand: polished concrete, metal, and glass to create contrast and add a touch of modernity.
This style creates a perfect balance between rustic authenticity and contemporary design, offering spaces that are both warm and elegant.

Retro

Celebration of trends from the 1950s to the 1970s, integrated into modern interiors.
Bright and bold colors, curved shapes, chrome and wooden objects.
All these elements create a space that is both modern and nostalgic.



Artefacto

This bold style is characterized by the use of artificial elements, playing with vibrant and fresh colors to create dynamic and modern spaces. The Artefact style transforms your interior into a true design laboratory, where imagination and originality are the key words.
